

Rangeview Student Schedule Change Contract

Please review the following important updates to the 2017-18 schedule change process:

- Schedules are created based on the classes that are requested by students in the spring. Students will not be able to add classes later that they did not request during the registration window (February 9-March 9th). **Schedules will NOT be adjusted because students are no longer interested in taking a course they registered for or because they do not like the period the class was assigned.**
- **Schedule changes in the fall will only be made for *necessary repairs***, which include the following:
 - *Student needs additional credits* (freshman and sophomores must have 7 classes, juniors and seniors must have a minimum 5 classes)
 - *Student needs additional core classes* (e.g. math, English, science, or social studies)
 - *Student needs to be placed in the correct level of a course* (e.g. student requested Honors but was place in regular)
 - *Schedule needs additional courses required for graduation* (seniors only)
- Any schedules that appear on Infinite Campus over the summer are drafts only. Schedules are not finalized until student check-in at the end of July.

I understand and agree to the above conditions regarding schedule changes for the 2017-18 school year.
