## OPPORTUNITIES

### UCHEALTH SUMMER VOLUNTEER- JUNIORS AND SENIORS ONLY

The volunteer program is open to teens aged 16-18 that carry a GPA of 3.0 or above and have a serious interest in health care. Participants will be exposed to a wide range of possible experiences, such as assisting in radiology and patient rehab, attending medical lectures, observing surgeries and working with mechanical robots during simulation exercises. They may also help greet and transport patients, work in central supply, provide beverages and perform a variety of daily tasks that ultimately contribute to excellence in patient care.

The goal of the UCHHealth summer volunteer program is to expose teens to the many facets of the healthcare industry and help them discover whether a medical career might be the right fit for them. Candidates must be reliable, motivated and self-directed with excellent communication skills. The teen volunteers will be expected to work four-hour shifts twice a week.

UCHHealth is proud to offer this program for the second consecutive summer and looks forward to working with dedicated teens from throughout the Denver metro area.

For more information about this volunteer opportunity or others, go to
