ENROLLMENT

All families new to Aurora Public Schools must contact the Aurora Public Schools Central Admissions office to complete the registration process. All current families who have changed their address must notify their student's school as soon as possible to either complete admissions forms and/or verify their address at the school or at the Central Admissions office.

Enrollment in Rangeview is a simple two-step process:

- Step 1: Visit the Aurora Public Schools Centralized Admissions site at 1085 Peoria St. or go to the Aurora Public Schools website/central admissions page to complete all admissions forms and verify your address. You may register all of your school-aged children into the school district at one time. Please bring all required documents to the centralized admissions site. Families who have changed their address and currently have a student enrolled in Rangeview will need only to verify their new address. No appointment is necessary.
- Step 2: Parents and students call Rangeview at 303-695-6848 to schedule an appointment to enroll and obtain class assignments, schedules and other information.

Students who reside with their parent or legal guardian in Rangeview's attendance area have an entitlement to attend Rangeview.

- Any continuously enrolled on-track-to-graduate student who completes the eleventh grade at Rangeview is entitled to complete their senior year and graduate from Rangeview.
- Any continuously enrolled students who have a change of residence, which takes them out of the Rangeview attendance area during the school year, may continue at Rangeview for the remainder of the year only. If they wish to continue their enrollment at Rangeview beyond that school year, they must apply for open enrollment under the policies of the Board of Education.
- Students who reside outside of the Rangeview attendance area may apply for open enrollment. These applications will be considered annually on the basis of space, programs, and teacher availability only.
- Students and their parents are required to inform the school district of their true address of residence and any subsequent change of address prior to the move. Students who reside outside of the Rangeview attendance area and/or fail to inform the school of their true address will be required to transfer immediately to the appropriate school for their true residence. They will not be granted continued enrollment under this regulation.

Families who are considering a move, but would like to stay in Rangeview's attendance area, should call the district centralized admission office to confirm that their new address is within Rangeview High School's boundaries. Applications for continued enrollment and for open enrollment are available from the Aurora Public Schools website and from the offices at RHS and will be accepted from January 15 through May 1 of the preceding school year.

CHANGE OF ADDRESS AND PHONE NUMBER

When a student has a change of address, records should immediately be contacted by Rangeview HS for next steps. Phone number changes can be made by contacting Rangeview HS.

Parents must set an appointment to meet with the Registrar to officially withdraw from Rangeview, preferably before the date of withdrawal. All textbooks and other school materials must be returned and all fees paid at the time of withdrawal.

RANGEVIEW CODE OF CONDUCT

For Rangeview to be the kind of place where 2,200 students and 150 staff members can get along safely and happily, it is important for all people to understand what is expected of them. It is equally important for people to understand the consequences of not living up to those expectations.

It is our expectation that students will demonstrate “school appropriate behavior” whenever they are on school property, during school hours, on the way to or from school, and at any school-sponsored activity. The school will respond to a student’s behavior no matter where or when it occurs if it is detrimental to the health, safety, or welfare of other students or staff, or if it interferes with the school’s ability to educate other students, or to provide a safe and secure environment on campus for all students, staff, and visitors.

We recommend that you know your rights, and we also urge you to know your responsibilities as a student at Rangeview High School.

The Aurora Public School Board of Education has adopted a philosophy statement on student discipline and shared responsibilities. Students and parents are expected to read and adhere to these conduct codes, giving special attention to policy ADH, ADHA, JK Student Discipline, JKD/JKE Student Suspension and Expulsion and JICI Weapons. These policies are detailed in the Rangeview High School Student-Parent Handbook and Safe Schools Policy and Regulations handbooks.

APPROPRIATE LEARNING ENVIRONMENT

ACADEMIC DISHONESTY

Academic dishonesty as defined by our safe schools policy is: Untruthful or deceptive behavior in connection with academics, including plagiarism, cheating on tests or assignments or changing grades without authorization.

INFRACTIONS TO THE ACADEMIC HONESTY CODE WOULD BE:

- Looking on another’s paper during a test/quiz
- Allowing someone to look at your paper during a test/quiz.
- Copying, using text-messages, verbally sharing, or using a cell phone camera to share any ideas or items on a test, quiz, or assignment.
- Using any kind of notes or information to complete a test or quiz without the instructor’s permission.
- Turning someone else’s work as your own.
- Allowing another to turn in your work as their original work whether in part or as the whole assignment.
- Misrepresenting information from another source as your own whether it’s a phrase, sentence, or paragraph.
- Sharing/showing another student a test, quiz, or assignment that another student has not completed.
- Asking another student to show you a test, quiz, or assignment you have not completed.
- Turning in work done with others when the assignment was to be completed independently.
- Buying, stealing, or borrowing someone else’s work and claiming it as your own work. For example, using/accessing someone’s server file to copy that person’s work.
- Selling any portion of your work for another student to use.
- Hiring someone to write your paper or do your assignment.
- Seeking credit for work that is not your own.

CONSEQUENCES of Plagiarism/Academic Dishonesty:

Students who do any of these identified behaviors is violating the Rangeview High School Honesty Code. The consequences of the behavior will be as follows:

FIRST OFFENSE

A zero on the assignment, test, or quiz with no opportunity to make up the work for credit.

SUBSEQUENT OFFENSES

A zero on the assignment, test, or quiz with no opportunity to make up the work for credit AND referral by an RHS Faculty member to the Dean of Students and documentation into the Infinite Campus conference log. This information will be flagged on your High School transcript.

Parent notification will be made in all circumstances. Multiple offenses of any of the above may result in failing a class.

IMPROPER DRESS

Students at Rangeview High School are expected to dress for academic success. All staff members are requested to strictly enforce the following building dress code policy:

DRESS CODE

- Student ID's must be worn at all times while on APS property.
- Hats or headgear are not allowed including caps, bandanas, stocking hats, do-rags, visors, and any other garment or article worn on the head that would not be appropriate to wear during the academic day. However, religious garments including hijabs, headscarves, turbans, etc. are permitted, as well as hats for celebration events or dress-up days hosted by Student Council. Any other exemptions must be requested through the dean's' office on a case-by-case basis.
- Shorts, skirts, rompers, and dresses may be worn as long as they are no shorter than halfway above the mid-length of the thigh. Leggings may be worn alone only if they are of an opaque color and tights cannot be worn alone.
- Tops exposing large areas of skin including cleavage, bare midriff, sides, etc. may not be worn unless paired with appropriate garments underneath (fitting tank top) or over (cardigan, long sleeve, hoodie, etc.). This rule applies to students of all genders.
- Exposed undergarments are not allowed.
- Clothes promoting brands or merchandise (including music groups and product names) are allowed, but images or language with offensive puns or slurs cannot be worn. Any images or language relating to alcohol or drug use, racial and/or orientation slurs are also not allowed.
- Clothes with gang affiliation or identical non-school related affiliations to other students are not allowed.
- Sunglasses should not be worn during the academic day.
- Gloves may not be worn or dangling from pockets or other parts of clothing inside the building.
- Any attire determined by a staff member to be distracting to the academic environment or pupil behavior in or about the school will not be permitted regardless of current fashion trends.

These rules apply any time a student is on campus or at any school activity.

Any clothes not listed but deemed inappropriate will not be allowed. Students whose clothing violates these rules will not receive an additional warning, but will be given an appropriate consequence on the first offense.

PROTECTION OF PHYSICAL SAFETY AND MENTAL WELL-BEING

FIGHT ENCOURAGEMENT

Students will promote non-violent solutions to problems which arise on or off campus. Any student who incites or encourages fighting on school grounds or at school sponsored activities will be suspended. If a conflict appears to be imminent, if at all possible under the circumstances, the student is expected to make all efforts to avoid the conflict and seek the help of an adult.

Students who attend a fight on or off campus involving Rangeview students - including weekends and vacations - may be given consequences up to and including suspension or expulsion depending on the nature of the fight and the impact on the learning environment at Rangeview. This includes fights documented using social media or police reports.

FIGHTING WITH STUDENTS

Students involved in a fight will be suspended for a minimum of three days for the first incident. A second fighting incident will result in a recommended expulsion.

PHYSICAL AGGRESSION TOWARDS A STAFF MEMBER

A student involved in physical or verbal aggression against a staff member, regardless of the circumstances or intent, will be recommended for expulsion for one full school year. Destruction of an employee's property at any time or place would also be viewed as aggression.

BULLYING

Definition: Any written, verbal or pictorial expression, physical or electronic act or gesture, or a pattern thereof by a student that is intended to coerce, intimidate or cause any physical, mental, or emotional harm to any student. This includes the creation of an intimidating, hostile, or significantly offensive environment that interferes with the learning or performance of school-sanctioned activities of any student.

Examples of Bullying

- Derogatory written or pictorial communications in any media (e.g., letters, notes, cellphones, social networks, voicemail, text messages, pager messages, newspaper articles, invitations, posters, photos, cartoons);
- Derogatory verbal comments (e.g., name-calling, taunting, hostile teasing, spreading rumors, epithets, jokes or slurs);
- Threats of force or violence against a person's body, possessions or residence (e.g., obtaining food or money by threats of force); or
- Physical conduct (e.g., provocative gestures, overly rough horseplay, restricting freedom of action or movement, violence, defacing or destruction of property).

Any student engaged in bullying will face disciplinary action. All concerns of threats or rumors must be reported to a staff member as soon as possible.

CYBERBULLYING

Definition: Being cruel to others by sending or posting harmful material using the Internet, cell phone, or any social media. Spreading or forwarding rumors or threats or photos via social media is a serious offense.

Any student engaged in cyberbullying will face disciplinary action. All concerns of threats or rumors must be reported to a staff member as soon as possible. Cyberbullying is a criminal offense and police will be notified.

WEAPONS NOT COVERED IN DANGEROUS WEAPON

The possession of an imitation weapon (i.e. toy guns & knives) if it has not been used in a threatening manner will result in a five-day suspension for the first incident. If the student is involved in a second incident, the school will recommend expulsion. The APS Weapons policy provides that dangerous weapons and facsimile weapons are not to be on campus. However, some programs (e.g. ROTC) may legitimately involve the use of such weapons. An exception to the weapons policy may be made by obtaining prior permission from the site administrator for students participating in an authorized program involving the use of dangerous weapons.

Where an exception to the policy is made, staff members supervising the program or activity should work with school administrators about advance arrangements for the bringing, storing, demonstration during the authorized

program, and return of the dangerous weapon to the parent/guardian. The permission form can be obtained from the main office.

PROTECTION OF PROPERTY

Theft

Students are expected to respect the property of others. Those who are involved in theft will be suspended or recommended for expulsion.

Gambling

Gambling is not allowed on campus. Students who are involved in gambling will be assigned consequences depending on the seriousness of the situation.

CONTROLLED SUBSTANCES

- Transaction of drugs or alcohol:
 - The school will recommend expulsion of no less than two semesters in all incidents involving the sale, purchase, distribution, receiving or possession with intent to distribute drugs, alcohol, controlled substances or any material which a student has claimed to be one of those substances.

- Possession or being under the influence of alcohol OR possession of controlled substance paraphernalia will result in the following:
 - A 5 day out of school suspension if chosen*
 - A police report
 - A parent/student conference

*The 5 day out of school suspension can be replaced with a 2 days suspension (1 day out of school, 1 day in-house suspension) and our Substance Abuse course. The course includes six 1-hour classes in six consecutive weeks. Additionally, a parent/guardian/caring adult should attend four of the six sessions with his or her child. A fee is associated with this course.

If the requirements for the Substance Abuse course are met and the student does not have a repeat offense for the current school year, the offense will be no longer considered a suspension, but rather as an “Alternative to Suspension” in the discipline record. If the requirements are not met, then the student will serve the remaining days for the original 5 day out of school suspension.

1. A student with multiple offenses may be recommended for expulsion.
2. During the period of off-campus suspension and/or expulsion, students are not to be on campus or any APS property. Violations of this rule will result in additional days of suspension and/or trespassing charges through APD. Suspended and expelled students are excluded from and may not attend all school sponsored events.
3. Students who are suspended are required to complete and turn in make-up work. Students who are expelled will receive a withdraw passing or withdraw failing reflecting the course grades at the time of the suspension leading to the expulsion. (APS policy IKA-R)
4. Aurora police will be notified any time a student is involved in criminal activity.

Other School Rules

CELL PHONES/ELECTRONIC DEVICES

Cell phones may be used by students in the front hallway, PE hallway, and the Commons. Cell phones cannot be used in any academic area past the Commons doors leading to the classrooms or past the top of the stairs from the Commons during the instructional day from 7:30 a.m. to 3:21 p.m. This includes the use of any cell phone options

such as cameras, PDAs, and calculators. Cell phones may be used outside the building; however there will be consequences if a student misses academic time due to cell phone use.

Electronic devices used in instructional areas such as classrooms, computer labs and the library will be confiscated unless specific permission has been granted by a staff member. Electronic devices that disturb other students or staff, regardless of location, will be confiscated.

Any staff member seeing a cell phone or electronic device being used in violation of the above policy will confiscate the item and turn it into the Deans' office. The dean will return the confiscated item to a parent/guardian only. Multiple violations will result in more serious disciplinary action.

Rangeview High School is not responsible for lost, damaged, or stolen phones or other electronic devices.

FINES AND FEES

Fines and fees are payable to the bookkeeper immediately upon assessment. It is a Rangeview High School policy to withhold grade cards, and transcripts until fees and fines are paid in full or until a payment schedule has been arranged with an administrator and the bookkeeper or until materials have been returned in an acceptable condition. You cannot purchase event tickets (dances, plays, games, etc.) if you have \$100.00 or more in outstanding school fines. Caps and gowns will be issued to graduates only when all obligations are met.

EXAMPLES of but not limited to:

Fees: Athletic participation fees, trips, athletic and P.E. locks, P.E. shirt, special class books or workbooks, monies assessed for unreturned and/or damaged books, monies assessed for unreturned and/or damaged athletic equipment, outstanding fundraiser monies, checks returned for insufficient funds.

Fines: Assessed library/media center fines for materials returned late, on-campus parking fines.

BICYCLES

Bicycles must be locked up in a bicycle parking area, which are located by the building on the west side near the main entrance and by the flagpole next to the tennis courts. The school cannot be responsible for theft or damage to bicycles.

FOOD AND DRINK

Food and drink, with the exception of water, is not allowed in instructional areas or classrooms except with the permission of the teacher.

SMOKING

Smoking is not allowed on campus at any time. Smoking is only allowed in a designated area on Telluride and is open only before school and during lunch. Campus Monitors can deny access to Telluride to students at any time.

HALL PASSES

Students should not be in the hallways without a pass. Teachers will require students to show their school ID before a pass is issued. Release of students from the classroom is a matter of teacher discretion. Students must show the pass to any authorized Aurora Public School employee upon request. The student is expected to return the pass to the sending teacher upon his/her return to the classroom. Students who misuse hall passes will be placed on the no hall pass list.

IDENTIFICATION CARD

Each student is furnished a free student I.D. card free of charge when they register. Every student is required to wear their ID at all times while on school property during the academic day. Students must also have their student ID with them when attending any school event on or off campus. Any authorized Aurora Public School official (administrator, staff member, campus monitor, custodian, or substitute teacher) may ask students for their identification. Such identification must be shown or that student will be subject to disciplinary action. Students

must go to the attendance office to replace a lost I.D. within 24 hours. There is a charge of \$5.00 per I.D. replacement.

LOCKERS

All freshman and sophomore students will be assigned a locker for the storage of books and equipment. Juniors and seniors have the option of having a locker assigned. It is the student's responsibility to see that his/her locker is kept locked at all times. The school is not responsible for loss or theft of items from lockers and reserves the right to search lockers if there is a suspicion of a threat to the health and safety of other students and staff. Most locker thefts occur as a result of students either sharing lockers or not using their assigned lockers.

Students are also reminded that they are not to switch locker assignments. School I.D. will be required before any locker information or combination is supplied.

LOCKER ROOMS

Students are not allowed in PE or Athletic locker rooms unsupervised. Students found in locker rooms unsupervised may be suspended.

MESSAGES

Messages to be delivered by the attendance office may only be left by parents or employers. These messages should be of a serious or emergency nature since instruction time is interrupted to deliver them. Questions about the nature of the emergency will be determined by our administration. Flowers and celebratory messages cannot be carried in halls and classrooms and should not be sent to the school for delivery in classrooms.

PUBLIC DISPLAYS OF AFFECTION

Open displays of affection are considered to be inappropriate on a high school campus.

SKATEBOARDS/IN LINE SKATES

Skateboards/inline skates may be used as transportation to and from school but are not to be used on campus. Students must be off their boards or out of their skates when they reach the property. These items must be stored in student lockers during the school day.

TRESPASSING

Non-Rangeview students are not allowed on campus with the exception of extracurricular events which are open to the public or unless prior arrangements have been made with the front office. Non-students found on campus will be ticketed for trespassing. If a Rangeview student is asked to leave campus and refuses to do so, that student will be in violation of the City of Aurora trespassing law and may be ticketed.

Vehicle Registration/Parking

For safety reasons, all students parking on or near campus must register their car(s). A registration fee will be assessed as determined by the Board of Education for each car registered. Cars will be registered at student check-in in July. License plate number, make, model and color must be furnished along with a copy of the Colorado Vehicle Registration and proof of insurance and a valid Colorado Driver's License.

PARKING LOT PERMITS (for parking in the lot at front of or on the south side of RHS)

Due to the limited number of parking spaces and in order to prevent unsafe conditions in the parking lot, parking lot permits will be issued to qualified students whose vehicles have been registered.

Reminder: All vehicles must be registered and display the appropriate stickers.

Registration Sticker - Lower right front windshield

Parking Lot Permit - Hanging on rear-view mirror

PARKING TICKETS AND TOWING (issued for parking lot violators)

Parking tickets will be issued to cars that are not in an authorized space, do not have a parking permit and/or registration sticker, or are parked in more than one parking space or occupy a reserved space. Fines for parking violations will be as follows:

- First offense: Warning issued
- Second offense: \$5
- Third offense: \$10 fine and possible loss of parking privileges
- Fourth offense: \$20 fine, loss of parking privileges and possible suspension

Contact a dean of students with questions.

**Vehicles may be towed at owner's expense any time they violate any of the parking policies.

BEHAVIOR EXPECTED IN SPECIAL AREAS OR SITUATIONS

- **ASSEMBLIES**
 - All students will be expected to attend school assemblies and display appropriate behavior. Assemblies are held so students may view performances, listen to guest speakers, and/or to promote school enthusiasm. Student organizations, such as cheerleaders, student government, diversity cadres, and the music department have typically arranged and promoted assemblies. However, other organizations are encouraged to submit ideas to the athletic director or activities director about performances that may benefit Rangeview students. During the playing of the National Anthem, all students are expected to demonstrate respect.
- **COMMONS (CAFETERIA/LUNCH ROOM) AND OUTSIDE LUNCH AREA**
 - Students may use the Commons before school, during lunchtime, and during free periods other than the end of their school day. Students using the Commons facility are expected to act in a responsible manner. The throwing of articles, such as food or coins, is strictly forbidden both inside and outside of the building. The tables and eating area should be cleaned and all trash placed in trash receptacles. Food must remain in the Commons and may not be taken into academic hallways and classrooms. Abuse of these rules will result in "restricted lunch," work detail, or possible suspension.
- **DANCES ON CAMPUS**
 - All school rules apply including appropriate dress and public displays of affection. Prom is off campus and the rules applying to attire are relaxed. For instance, girls can wear strapless or backless dresses and gentlemen may wear formal hats. School rules are enforced at After Prom whether held on or off campus.
- **SENIOR SPLIT**
 - This planned celebration is held for seniors only and even though it is held on campus, participating seniors are allowed to wear bathing suits and shorts because of the nature of the event.
- **EMERGENCIES**
 - During **FIRE ALARMS**, all students should immediately vacate the building in an orderly manner to a position at least 100 feet from the structure. Students are not to stop at their lockers or the restroom.
 - During **TORNADO WARNINGS** all students must follow directions from their teacher. Each room has a clearly marked sign giving specific instructions of where to move and what to do.
 - If a **POWER FAILURE** occurs, students should normally remain in the area where they are currently located with the exception of those in the hallways. Students in the hallway should go to the commons or outside the building.
 - If a **DISASTER** occurs, students will be directed to safety. Parents will receive a School Messenger message with information on where they may pick up their students.
 - During a **LOCKDOWN** all students must follow directions from their teacher. Each room has a clearly marked sign giving specific instructions of where to move and what to do. Students in the hall when a lockdown is announced should move to the closest occupied room.

- SCHOOL CLOSURE such as that resulting from adverse weather conditions is announced on a large number of radio stations. Please listen for public service announcements rather than calling the administration building or individual schools.
 - In addition, if there is a school closure or emergency our automated notification system, School Messenger, will be used to notify each student’s primary phone number as listed in Infinite Campus.

STUDENT PARKING

Rangeview High School Student Parking Application

The safety of all persons and property on the Rangeview campus is our priority. Parents and students must understand and agree to the following guidelines in this application before acceptance:

1. This application must be accompanied by a copy of the student’s driver’s license, insurance, and current vehicle registration.
2. Student vehicles must be parked between the lines and in the designated student lot.
3. Loitering in the parking lot or socializing in and around vehicles is not permitted.
4. Rangeview High School is a closed campus. Leaving or attempting to leave campus without prior permission could result in revocation of the parking permit. Taking or attempting to take students off campus who do not have permission to leave could also be cause for revoking the parking permit.
5. Revoked permits are not eligible for a refund of any kind; towing for any reason will constitute revocation of the parking permit.
6. Reckless or careless driving will not be tolerated. Failure to observe the 10 m.p.h. speed limit or breaking other posted regulations will result in a revoked permit and a citation issued by the Aurora Police Department.
7. Students on a waiting list for a permit will be removed from the list if they park illegally. Likewise, students parking will not be placed on the waiting list.
8. The RHS parking tag must be displayed at all times. Cars without tags will be ticketed and possibly towed at the owner’s expense. A replacement tag costs \$15 and lost or stolen tags must be reported to security. If lost or stolen tags are found in a vehicle, the Aurora Police Department will be notified and the students responsible will not be issued a parking permit for the remainder of the school year. **Rangeview is NOT responsible for damage to or items missing from student vehicles while parked on school property.**

Student parking on campus is a privilege. This privilege is extended in exchange for granting consent to the school administration to search the vehicle without warning when there is reason to believe that the safety of the students is threatened and to seize items which are potentially dangerous to students, staff, and property.

As a student, I understand that my privilege to drive and park at RHS could be revoked if I fail to abide by these regulations.

Required items for completion of parking permit application include copies of the following:

- *Student's Driver's License, *Student's current vehicle insurance card, *Student's current vehicle registration, and
- *Bookkeeping receipt showing payment of parking permit fee (\$20).

ATTENDANCE PROCEDURE

In addition, if there is a school closure of emergency, our automated notification system, School Messenger, will be used to notify each student's **primary phone number** as listed in Infinite Campus.

According to state law, it is the obligation of parents to ensure that every child under their care and supervision receives adequate education and, of compulsory attendance age, attends school.

Good attendance is of paramount importance to academic performance and overall success of students. Absences, whether excused or unexcused, are detrimental to the learning process. Regular attendance develops habits that are essential for success. It is the joint responsibility of students, parents/guardians and schools to ensure regular attendance. Excessive student absences may be symptomatic of problems which necessitate joint efforts of the school, student, home and community agencies.

Students enrolled in the Aurora Public Schools are required to attend classes, unless excused for good reason, in accordance with the Colorado School Attendance Law (C.R.S. 22-33-101 and Article IX, Section 2 of the Colorado Constitution). Therefore, in cases of excessive absences, the district will utilize community agencies as well as Truancy court, in order to enforce regular attendance when student or parental/guardian responsibility has not been met

RESPONSIBILITIES

STUDENT

1. Attend school for all days of the adopted calendar
2. Be in class on time, prepared for academic work. Students who are late less than half of the class period will be marked as "tardy." Discipline will be assigned to students who have a pattern of habitual tardiness.
3. Contact teachers immediately upon returning from an absence to receive make-up assignments and deadlines for completing them
4. Complete work as assigned by the teacher when a pre-arranged absence is required
5. Follow the established school procedure when enrolling in or withdrawing from class
6. Follow the established school procedure for arriving at school late or leaving early; specifically, you must sign-in at the attendance office when arriving late, and you must be excused through the attendance office or nurse and sign-out if leaving early
7. Be conscious of your attendance records and follow-up on needed corrections
8. Communicate with your parents so they call to excuse you according to the school's procedures

PARENT

1. Ensure that the student is attending school. We recommend that parents access the Parent Portal on Infinite Campus to frequently check their student's attendance and grades.
2. Maintain communication with the student regarding attendance
3. Understand that any absence, regardless of the cause, has a detrimental influence on student achievement
4. Contact the school (using the appropriate procedure) regarding absences; specifically, call the attendance office no later than the end of business the day following the absence to excuse your student; only one parent error will be corrected each year.
5. In the case of extended home confinement, request make-up assignments

6. Monitor the make-up work of the student who has missed class
7. Follow the established school procedure when enrolling or withdrawing a student from school
8. Provide the school with the current and accurate telephone number or other means of contacting a parent/guardian during the school day

TEACHER

1. Emphasize the value of regular and punctual attendance and support incentive programs
2. Take attendance daily and maintain accurate records
3. Report absences to the attendance office according to building procedures (i.e. Infinite Campus)
4. Check Infinite Campus daily to note truant students; counsel or refer as appropriate
5. Notify parents and appropriate school personnel of attendance concerns
6. Initiate attendance corrections when errors occur
7. Provide make-up assignments and reasonable deadlines for completion

COUNSELOR

1. Provide counseling and support for students regarding attendance
2. Make appropriate contacts with students and parents concerning attendance
3. Ensure appropriate scheduling for students who are identified with special attendance needs
4. Help students identify and make decisions regarding education alternatives

OFFICE STAFF

1. Record parent calls to excuse student absences
2. Initiate the automatic calling system to notify parents of a student's unexcused absence
3. Correct staff errors and one student/parent error per school year
4. Monitor the sign-in/sign-out sheet

ADMINISTRATORS

1. Notify parents, students and staff of Colorado attendance law, district attendance policy, level regulation, and building procedures at the beginning of each year, or upon enrollment
2. Supervise and administer Colorado school attendance laws, district attendance policy, level regulations and building policies, including those pertaining to habitually truant students
3. Assist the support staff with the implementation of attendance policy, level regulations, and building procedures
4. Collaborate with outside agencies concerning attendance matters
5. Work with district truancy specialist

NOTIFYING THE SCHOOL OF AN ABSENCE

Parents are to notify the attendance office on the day of the absence but no later than the end of business the day following the absence. There is an after-hours recorder (303-326-1676) to take calls 24 hours a day, seven days a week.

Students leaving campus before their school day is over must be excused in advance from the attendance office and sign out before leaving school grounds. If students are ill, they must report to the nurse's office before leaving. If the nurse determines the student is ill enough to go home, the nurse will call the parent, notify the attendance office, and excuse the student.

SCHOOL NOTIFICATION TO THE HOME

Rangeview High School will notify parents of a student's unverified absence via a computerized phone message. Parents will be notified on the same day as the absence. Due to program limitations, the message cannot identify the student by name or the period(s) the student was absent. Parents are encouraged to call the attendance office to verify the student's name and the period(s) of absence. Occasionally, the attendance office staff will contact the parent to verify a reported absence.

EXCUSED ABSENCES

The following absences will be considered excused:

1. Illness/injury documented by the student's parent/guardian.
2. Appointments/serious circumstances which cannot be resolved before or after school hours. To the extent possible, the parent/guardian is encouraged to notify the school in advance.
3. A student's request to participate in extracurricular experiences outside of the school building may be approved for up to five days under certain circumstances and on a case-by-case basis.
4. A student's parent/guardian may request approval for an excused absence to attend to family business/family vacation (e.g. wedding, family trip). This excused absence is not to exceed three days per year and student must be in good academic standing (passing all classes), no unexcused absences, and have four or fewer excused absences in a semester.
5. A student's parent/guardian may request approval for an absence to be excused to attend a funeral. This absence shall not exceed three days. Approval shall be left to the discretion of the building administration.
6. After three days of consecutive excused absences or in the case of excessive absences, a medical note may be required.

Absences due to suspension are considered to be excused for the purposes of truancy.

NO EXCUSED ABSENCES WHILE ON CAMPUS

Once students have arrived on campus, they are expected to be at their scheduled class. If students are absent from class and are on campus, they will be considered truant. Only a school administrator, counselor or the nurse can excuse the absence.

This procedure ensures school officials and the parent of the student's whereabouts, makes for good communication with staff and parents and ensures the safety of the student.

HABITUAL TRUANCY

According to Colorado attendance law, students who are truant the equivalency of four school days in any one month or ten school days during any school year are defined as "habitually truant."

UNEXCUSED ABSENCES

1. Students will be considered truant or unexcused if they are absent from class without the prior knowledge and approval of their parent or guardian.
2. Students will also be considered truant if they leave school grounds without signing out and without the attendance office being notified by a parent BEFORE the student leaves.
3. Students who leave class without the teacher's permission will be considered truant.
4. Absences not excused by a parent or guardian before end of business the day following the absence will be considered unexcused. Only one call per parent each year will be accepted beyond this deadline.

A court petition may be filed when the student has been deemed to be habitually truant and when interventions have been unsuccessful at changing the student's behavior. A judicial officer will take action as he/she deems appropriate.

TARDY POLICY

Students are expected to be in class on time, prepared to begin work when the bell rings. Students who arrive late will be marked tardy in the teacher grade book and in Infinite Campus. Students who arrive during the first half of the period will be marked tardy. Students who miss more than half of the period will be marked absent. A parent must contact the attendance office to excuse a tardy.

The following interventions have been designed to prohibit habitual tardiness:

1. Many teachers have their own tardy policies and will give consequences of their own to students. If a student does not serve the consequences which the teacher assigned them, the student should be referred to a Dean and will then be assigned a consequence.
2. If a student has five tardies in one class, the teacher has the option to refer the student to a Dean and that student will then be assigned a consequence. If the student does not attend the assigned consequence, the student will be suspended.
3. If the student accumulates five additional tardies in a class, the teacher has the option to again refer the student to a Dean and will then repeat the assigned consequence.
4. If the student has a third referral for tardies in any one class, that student will be assigned to in-house detention until a parent conference is held.
5. Students who accumulate 30 tardies in one quarter will be placed on the no privilege list and will not be admitted to any extra-curricular school activities.

PRINCIPAL'S PASSES

Aurora Public Schools has developed an earned privilege off-campus program that began in the fall of the 2007-08 school year. With this program, all freshmen remain on campus during the entire school day. Sophomores, juniors and seniors may earn a Principal's Pass to leave campus using the following criteria:

1. 2.75 grade point average during the previous quarter
2. 93% attendance rate during the previous quarter. Three tardies will equal one absence.
3. No discipline referral during the previous quarter

Students (10th, 11th and 12th grades) will have the opportunity to earn a Principal's Pass quarterly. Fourth quarter from the prior school year will determine eligibility for a Principal's Pass for first quarter the following school year. Once students earn a Principal's Pass, they will receive a color-coded photo ID which must be worn at all times. The color coding will change quarterly. Local law enforcement will be aware of the off-campus program.

Parent/guardians may choose to withhold the privilege of a Principal's Pass by submitting their written request to the principal. **The Principal's Pass privilege may be revoked at any time at the discretion of the principal.**

Freshmen and students who have not earned a Principal's Pass may bring their lunch or may purchase lunch from the school lunch program. Parking lots will be considered off limits and students may not go to their vehicles during the day.

Students who do not have a Principal's Pass and leave campus will receive a referral to the Deans' office and discipline will be administered. This discipline will include work detail after school, restricted lunch, Saturday school, and possible tickets for trespassing. Repeat offenders will face suspension.

REQUESTS FOR HOMEWORK

Students requiring homework assignments due to extended excused absences (three days or more) should initially contact the attendance office. The attendance office will notify teachers and collect assignments from individual teachers. Assignments should be ready for pick up 24 hours after a request has been made. Please call the attendance office to check homework status.

MAKE-UP WORK DURING ABSENCES

Any time a student misses a class for any reason, the student will be expected to complete make-up work in order to achieve the learning objective presented to students who were present. This includes field trips, extracurricular activities, in-house and off-campus suspensions, etc. Students who have been absent from class must request make-up work from the teacher no later than the next class meeting. Teachers will determine a reasonable amount of time for make-up work when students are absent, using a two days for every one day absent guideline.

Teachers may provide an "alternative" learning experience for make-up work to any student who requests it upon returning to class.

Teachers will score and provide feedback for all make-up work that complies with the above guidelines. Teachers have the choice whether or not to assign and record marks to the make-up work from an unexcused absence.

ABSENCES DUE TO SCHOOL ACTIVITIES

The absences for school activities will be recorded as a **school activity**. Absences due to a school activity will not be counted against the student applying for a Principal's Pass. If participation at school-sponsored activities appears to interfere with the student's performance in the classroom, the teacher and coach/sponsor will confer with the student.

When students are to be excused for school sponsored events, in or out of the building, it is the coach/sponsor's responsibility to follow the procedures for field trips and submit to the attendance office in advance a list of participants for these functions.

EXCESSIVE ABSENCES:

Teachers have a responsibility to notify parents and appropriate school personnel of any student's excessive absences. In order to simplify the policy, remember an ABSENCE IS AN ABSENCE. Students who miss class and are excused or unexcused, for field trips, in-house suspensions, out of school suspensions, counselor visits, nurse visits or trips to the office are considered absent. ALL ABSENCES ARE APPLICABLE TO THE RULES OF MAKE-UP WORK.

EARNED ELIGIBILITY

Students with 20 or more unexcused classroom period absences or 30 unexcused tardies during a nine-week quarter will be ineligible to attend extracurricular activities for the following nine-week quarter. This includes athletic events, plays, concerts and dances.

Returning Rangeview students who had 20 or more unexcused classroom period absences during the fourth quarter of the 2017-18 school year will be ineligible to attend extracurricular events during the first quarter of the 2018-19 school year.

The Rangeview administration believes students should have the opportunity to prove they have solved their attendance issues when a new academic year begins. Therefore, students may regain eligibility if they have no unexcused period absences during the first month of school and participate in the 2018-19 Homecoming events at Rangeview High School.

Second quarter eligibility for students will be determined at the end of 1st quarter.

COURSE SELECTION AND STUDENT SCHEDULES

REGISTRATION AND THE PROGRAM PLANNING GUIDE

At a designated time during the school year, students will select courses for the following year. Students should consider high school graduation requirements, their Individual Career & Academic Plan (ICAP), and college entrance requirements when making selections. The Rangeview Program Planning Guide has been compiled to assist Rangeview students and their parents in planning a program of study for each academic year. Information on such items as graduation requirements, assessments, pathways, postsecondary opportunities, and course descriptions are included. Counselors will assist students by explaining courses and programs of study which best suit the student's ability and post-high school plans.

The registration process during third quarter is extremely important as student selections will determine the course offerings and the number of sections of a particular course needed for the following year.

MINIMUM NUMBER OF CLASSES

All freshman students must have seven classes, with few exceptions deemed appropriate by Rangeview High School administration. Sophomore students must have six classes or more and all juniors and seniors must enroll in five or more classes to meet Colorado Department of Education requirements.

CONSECUTIVE SCHEDULING

An effort is made to ensure that Rangeview students have consecutive schedules with no open periods in the middle of the day. However, due to scheduling restraints, students may have “open periods” anywhere in the schedule. All students are expected to leave campus within 15 minutes of their last scheduled class or report to a supervised scheduled activity.

SCHEDULE CHANGES

As we begin each year, our goal is to have all students enrolled in the appropriate classes on the first day of school. In most cases it is difficult for students to catch up if they join a class after the first quarter work begins. Therefore, there is a deadline for student-initiated schedule changes prior to each semester. After picking up their schedule at check-in, students may request a schedule change at the designated days/times that week. Schedule changes will be based on space availability and will not be made to choose teachers, lunch period, or particular period of the day. Students are allowed a maximum of one visit to the counseling office per semester for a schedule change. Through proper planning on the part of the student, very few schedule changes will be necessary. Students must follow their original schedule until the change is *officially* completed. Students may not request changes at quarter.

ACCEPTABLE REASONS FOR SCHEDULE ADJUSTMENTS

The following are the only acceptable reasons for student initiated schedule changes:

1. Drop the class because the student does not meet the prerequisite or does not have a teacher recommendation.
2. Add a class because the student is a senior needing specific classes to meet graduation requirements.
3. Drop a class because the student has a physical disability, which would not allow participation in a course. Must provide a doctor’s note for physical disability
4. Add a class where space is available without changing other courses.
5. Delete a class because of double scheduling or add a class to create a consecutive schedule.
6. Drop a class because credit was earned in summer school or outside of Rangeview.
7. Change classes if a student was placed in the wrong level (i.e.- placed in a core class already completed)

The registrar will arrange for all new students to meet with counseling staff to develop a schedule. All new 12th-graders will develop their schedules with their respective counselors.

STUDENT ENROLLMENT DEADLINES

Students may not add classes after the fifth school day of the semester unless transferring from a similar class. However, transfer students from another school may enroll in a course after the above deadline under credit probation status if a counselor or administrator deems circumstances justifiable.

COURSE EXPECTATIONS

At the beginning of each semester for semester courses and at the beginning of the year for year long courses, teachers will provide written Course Expectations to students. The expectations will include descriptions of the course, the state standard(s) addressed in the class, and the grade requirements. The expectations may also include class policies, a list of needed materials or supplies, a course syllabus or calendar, and a description of instructional methods.

PERMISSION TO REPEAT A COURSE

Students may take a course a second time with permission of their counselor. Students have the option of entering classes and grades on the transcript with both grades being computed in the grade-point average. One class would count as an elective and only one credit can count as required subject area. Students also have the

option of expunging a repeated class and grade from the transcript with approval from administration. Students may annually repeat Yearbook, Advanced Journalism, Competitive Speech and any course in instrumental or vocal music and physical education.

WITHDRAWING FROM OR DROPPING CLASSES

Students may drop a course during the first five school days of the semester without penalty. After the fifth day when records are finalized, a student will receive W/P (withdrawal passing) if passing the course at the time of withdrawal, or W/F (withdrawal failing) if failing the course at the time of withdrawal. A W/F will result in an F included in the cumulative grade point average. After the 20th school day of the semester, a student will not be allowed to withdraw from a course without receiving an F, even if the student is passing the class at the time of withdrawal. If a student is withdrawn from a course for reasons beyond the control of the student, such as illness, the student's transcript will reflect no penalty. Students are responsible for turning in all books to the appropriate teacher at the time of withdrawal or a fine may be assessed.

ASSISTANTSHIPS

Students may earn only 1.0 credit toward graduation as a teacher or office assistant based on a pass/fail score. Office assistants may get an application for an assistantship that must be completed and approved. Applications are available through a counselor. Students may be enrolled in only one assistantship at any one time. Unless you are a senior, assistantships do not count toward the minimum number of classes students must have each semester.

INDEPENDENT STUDY

Under certain circumstances, students may take certain courses as independent study. Prior approval must be obtained. Independent study is allowed only if a teacher agrees to supervise the study and administrative approval is obtained. See a counselor for the form after the approval is received.

JULY CHECK-IN

At July check-in, students receive their class schedule, have their picture taken for their student identification card and the yearbook, pay school fees and assessments, register their cars, are assigned lockers, and receive information about the school lunch program and bus schedules. Students who are unable to attend the designated check-in days must call the main office to reschedule.

END OF YEAR

Report cards, transcripts and all records will be held if students do not clear all fines and assessments and return all library and text books at the end of the year.

SPECIAL PROGRAMS

EDUCATION 2020

High School courses for credit recovery can be taken online through the ED2020 program with parent and counselor approval. Seniors needing recovery credits are given first priority in online classes, and spaces are limited by the number of ports available per class period. See your counselor for more information.

PATHWAYS/INSTITUTES

- Rangeview High School currently offers two pathways Art and STEM. The STEM Pathway is an exciting four-year program for students who have an interest or strength in science, technology, engineering, and math. Through the visual arts pathway students will identify and implement visual forms of communication. This is done by nurturing specific art technical skills and engaging in creative critical thinking. In the introductory classes students develop awareness of these skills and develop techniques,

which leads to problem solving and advanced technical skills, and eventually culminates in producing visual forms of communication, meaningful concepts, and complex compositions. This pathway opens opportunities and prepares students for real world experiences and the potential to pursue careers in the art field.

CONCURRENT ENROLLMENT AND DUAL CREDIT OPPORTUNITIES

Students who are on track to graduate and meet eligibility requirements may take classes at Community College of Aurora or available dual credit courses on the RHS campus. Students receive both college and high school credit for these courses. For additional information see your counselor.

RANGEVIEW ACADEMY

Rangeview Academy is an alternative program that operates on the Rangeview campus in the afternoon and early evening. The Academy serves students who are voluntarily seeking educational improvement and advancement to graduate from high school on time, to enhance their employability skills, and to realize their potential goals of specialized post-secondary education. There are opportunities for individualized learning in smaller, focused classes. Students must apply to enter this program, and priority is given to Rangeview juniors and seniors. See your counselor for more information.

PICKENS TECHNICAL COLLEGE

The Pickens Technical College offers a variety of vocational programs for students in grades 11 and 12. Students who are interested in career/tech education may apply to a program by visiting with a counselor. As a general rule, students should enroll for the upcoming year during spring registration, although there are some programs that will allow students to enroll at the beginning of the second semester. Enrollment is based on availability. Students must be on track for graduation, maintain good attendance, and have no notable disciplinary issues.

GRADE PLACEMENT

Students are assigned to a grade level based on the number of years of high school enrollment rather than the number of credits earned. Students will be categorized as “on track” or “not on track” to graduate based on earned credits. As a general rule, “on track” students should have earned:

- 6 credits by the end of the 9th grade
- 17 credits by the end of the 11th grade
- 12 credits by the end of the 10th grade
- 22 of the required APS credits by the end of the 12th grade

CREDITS EARNED OUTSIDE REGULAR HIGH SCHOOL PROGRAM

CORRESPONDENCE SCHOOLS & COLLEGE CLASSES

Credit from correspondence courses and courses at community colleges other than Community College of Aurora must have prior approval from the principal and the appropriate counselor. Records from correspondence courses often take four to six weeks after tests/projects are submitted. Rangeview must receive official grades and transcripts before credit may be granted and counted toward graduation.

One credit a year may be earned from an outside agency such as BYU for students who need to complete graduation requirement credits. Students enrolled in outside courses will be charged a fee by the outside agency. Students should discuss this with their counselor before enrolling in these courses.

CREDIT FROM OTHER HIGH SCHOOLS

Credits from schools other than Rangeview High School are accepted upon verification by an official transcript furnished by the previous school attended.

GENERAL EDUCATION DEVELOPMENTAL CERTIFICATE (GED)

A student who has withdrawn from high school and is at least 17 years of age is eligible to take the General Education Development Test in order to earn the certificate. APS houses a GED Testing Center at Pickens Technical College. Call the information line at 303-326-1081 or visit the Web site at <http://aurorak12.org/community/ged/> for more information.

GRADING SYSTEMS

PROGRESS REPORTS AND PARENT/TEACHER CONFERENCES

PROGRESS REPORTS

Teachers will enter current grades and comments which relate to student progress. Parents may access their student's grades using the Infinite Campus Parent Portal. See page 36 for more information about the IC Parent Portal.

PARENT / TEACHER CONFERENCES

Parents have an opportunity to receive updates on their student's academic progress during twice yearly Parent / Teacher Conferences. Parents are invited to pick up their student's progress report and then conference with any or all of their student's teachers. No appointment is necessary and students are encouraged to attend with their parents.

Teachers will share information about the student's progress and skills as well as work habits such as attendance, participation, and effort on homework, as well as suggested next steps for improvement or advancement. It's a good opportunity for parents to collect information and work collaboratively with the teacher.

REPORT CARDS AND HONOR ROLL POLICY

REPORT CARDS

Report Cards showing the grade achievement of each student will be mailed at the completion of each quarter.

HONOR ROLL POLICY

The honor roll for Rangeview High School will be divided into four parts:

I.	3.00 - 3.49	Honors
II.	3.50 - 3.74	Academic Honors
III.	3.75 - 3.99	Academic High Honors
IV.	4.00 – 5.00	Academic Highest Honors

Students meeting the above listed Grade Point Average and the following criteria will be eligible for the honor roll listing at Rangeview High School.

1. All classes taught by Aurora Public Schools will be used to determine honor roll status.
2. The honor roll will be determined within the first two weeks after the date report cards are issued.
3. The honor roll will be posted in the high school and sent to the Chief Communication Officer for the school district.

4. The honor roll will be based on a 4.0 system with any weighted grades included in the calculations.
5. Quarter grades will be used to determine honor roll status for each quarter marking period.

REQUIREMENTS FOR ACADEMIC LETTERING

To qualify for an academic letter a student must have at least a 3.66 accumulated GPA for the previous school year. It must be accumulated during the 1st and 2nd semester of the school year.

WEIGHTED GRADES

Weighted grades are used to determine class rank, valedictorian, salutatorian, and honor graduates. Copies of this policy and regulation are available on the district Web site http://aurorak12.org/pol-reg/Section/ikc_ikcd_ikaf.pdf

GRADE POINT AVERAGES AND HONORS AT GRADUATION

The student's grade point average appears on the grade report at the end of first semester. At the spring commencement, those students who have achieved a grade point average of 3.5 or higher at the end of the first semester of their graduating year shall receive academic honors. Those students who have achieved a grade point average of 3.75 or higher at the end of the first semester shall receive academic high honors. Valedictorian(s) and salutatorian(s) will be named. A student must take a minimum of nine credits at Rangeview to be eligible to be ranked in the top ten. (Board Policy)

ATHLETICS AND ACTIVITIES

INTERSCHOLASTIC ATHLETICS

Philosophy of Athletics

The athletic program of the Aurora Public Schools is an integral part of the school curriculum. Participation in athletics is designed to promote school spirit, provide a healthy outlet for energy, improve student morale, and increase community involvement and promote student achievement. Coaches will provide an environment that will allow our students the opportunity to develop their athletic and physical skills and to compete at their highest level.

Participation in interscholastic activities at Rangeview High School is a privilege and not a right. Students wishing to participate are required to meet standards of personal behavior. In order to serve and foster the education growth of the students it is the duty of all concerned within our athletic program to establish high standards of behavior.

Our participants are students first and athletes second. We will strive to get the best athletic performance out of a team, or individual, in a manner that increases the maturity of students and makes their participation worth remembering. **Winning is our goal not our purpose!**

Goals

1. Develop an appreciation for physical wellbeing.
2. Develop attitudes of sportsmanship and respect towards teammates, coaches, opponents and officials.
3. Teach the student-athlete to be competitive within a given set of rules.
4. Provide an atmosphere for growth, fun, competition.
5. Teach the student-athlete to be loyal to a particular situation, cause or school.

2. Be an undergraduate of the school.
3. Be carrying a minimum of five courses (or the equivalent) that offer 1.25 units of credit per quarter.

5. A student who fails **more** than two quarter-classes (the equivalent of 0.50 units of credit) will be ineligible for the following quarter. Students who fail more than 0.50 unites of credit during the fourth **Once athletes decide to join a team or squad they must conduct themselves in such a way that will reflect the highest credit on the team and the school which they represent.**

PRACTICE

The following regulations apply to practices for every sport:

1. Practice keeps the proper mental and physical attitudes needed to produce effective and productive student athletes.
2. All athletes required to attend practice as directed by the coach of that program. Athletes must inform the coach prior to an absence in order for the absence to be excused. The coach involved will handle excused and unexcused absences.
3. Any athlete wishing to quit a sport may do so. An athlete who goes out for an athletic team and then quits after the first interscholastic contest is not eligible to participate with any other Rangeview athletic program until the season has ended for the sport that the athlete went out for and quit. Exceptions to this rule would include absences related to family emergencies, appointments or bereavement.

Activity Conflicts

Where sports or other activity conflicts occur, the following policy will apply:

1. The "performance," i.e., the athletic game or meet at sports, or concert at music, has priority over any practice or extra rehearsal. In the event a practice, extra rehearsal or even final dress rehearsal is scheduled at the same time an athletic game or meet occurs in which the student is participating, the game or meet has priority, and the music member is excused without penalty. Conversely, in the event, the music performance conflicts with an athletic practice (even a final practice), the performance takes priority.
2. In the event practice occurs at the same time as both music and sports, the practice time is divided equally between the two activities.
3. It the event a music performance conflicts with a game both being at the same time, the student is allowed to choose without penalty. The athletic and activities directors will act as arbitrators if the conflict cannot be resolved.

OTHER INFORMATION

ANNUAL NOTICES

Access to Student Information/Student Records – Rights and Privacy

From time to time, Aurora Public Schools personnel are asked to share student information with someone other than the parent or guardian of the student. Aurora Public Schools is unable to provide this information because it is illegal according to federal law (Family Educational Rights and Privacy Act). There are some exceptions which include requests of information through a subpoena, information classified as “directory information” (such as email address, date of birth and photograph), and information which is shared with a different school in which the child seeks to enroll or when parental consent is given.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the School receives a request for access.

Parents or eligible students should submit to the school principal or appropriate school official a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their

right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that APS, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, APS may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow APS to

include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

If you do not want APS to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing, within 15 days of the start of school or within 15 days of receipt of this notice for those parents of students who do not start the year with APS. APS has designated the following information as directory information:

- a. student's name,
- b. date and place of birth,
- c. electronic mail address,

Annual Notice To Parents: Disability Discrimination

In compliance with a federal law known as Section 504 of the Rehabilitation Act of 1973, the Aurora Public School District will provide to each protected student with a disability, without discrimination or cost to the student or family, those related supplementary support services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the person's abilities. In order to qualify as a protected student with a disability, the child must

meet the following definition: he or she must be of school age with a physical or mental disability which substantially limits one or more life activities, (such as learning) or prohibits participation in or access to an aspect of the school program. In addition, one who in the past has had such a disability or is perceived by others as having such a disability may also be protected by law from discrimination on the basis of disability.

- Even students who are not eligible to receive services under the traditional special education programs, which are provided pursuant to the Individuals with Disabilities Education Act, may be eligible to receive supplementary supports, services, and accommodations, if they fall within the definition of disability stated above.
- In addition, the district does not discriminate in admission, treatment, employment or access to its programs or activities.
- For further information about the evaluation procedures and provisions of services to students with disabilities, contact the district's coordinator of Section 504 Compliance in Health Services, at phone number 303-344-8060, ext. 28511, or write to the 504 Compliance Director, Aurora Public Schools, 15700 East 1st Ave., Aurora, CO 80011.
- For specific information relating to special education services for students with disabilities under the Individuals With Disabilities Education Act, contact the Department of Exceptional Student Services at 15751 E. First Ave., Aurora, CO 80011, 303-340-0510.

Asbestos Management Plan Designed For School Safety

- The safety of students and employees in all Aurora Public Schools facilities is the number one priority for the Environmental Compliance Branch. Our procedures for dealing with asbestos reflect that priority.
- As required by the Asbestos Hazard Emergency Response Act (AHERA), Aurora Public Schools has conducted an extensive asbestos survey of all the district buildings. Based on the findings of these inspections, a comprehensive management plan has been developed for each school. Each plan identifies locations and types of asbestos-containing materials in the building and details the district's ongoing effort to maintain or remove those materials. The plans are continually updated with documentation of asbestos related work performed at each site.
- The program is available for review at the Environmental Compliance Branch at 1369 Airport Boulevard. Questions are welcomed and should be directed to the Environmental Compliance Branch Manager at 303-326-2115 ext. 28685.

Critical Contact Information

It is critically important that parents provide the school with updated home and work telephone numbers. It is equally important parents update their physical and/or mailing addresses, throughout the school year through the online "Change of Address Tool" In addition, the school must have the name of an adult outside of the home (ie. Neighbor, aunt, grandparent, friend) to contact in the event of an emergency, should we be unable to reach the parent. If no one can be reached, the police will be contacted. It is also important that parents review backup plans with their children in case the unexpected happens (early dismissal, parent delayed, etc.).

Every Student Succeeds Act: Parent’s “Right to Know”

- The federal law called the “Every Student Succeeds Act” requires that all public schools inform parents whose children participate in Title I programs of the professional qualifications of their teachers. Aurora Public Schools will provide this information to you upon request.
- Should you wish to acquire information regarding the license and degrees held by Title I classroom teachers, please complete a Title I Teacher Qualification Request Form. This form may be obtained by writing to the Division of Human Resources located at 1085 Peoria Street, Aurora, Colorado 80011 or by calling 303-344-8060. All written requests will be processed by the Division of Human Resources. Within 30 days of receiving a request, you will be provided written information by mail. Human Resources staff **will not** provide information over the telephone.

Harassment - Racial/Sexual

- The Aurora Public Schools Board of Education believes that all students are entitled to pursue their education in school-related environments that are free of racial and sexual harassment. To this end, the board prohibits the harassment of students through conduct or communications.
- It is the policy of the board that complaints be investigated and offending individuals be dealt with in accordance with state law and district policies. Homeless Education program - McKinney-Vento Act – Title IX, Part A

The Homeless Education program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 USC 11431 etseq.). The McKinney-Vento Act was enacted to address the numerous barriers homeless children face in obtaining a free, appropriate public education. The program was originally authorized in 1987 and, most recently, reauthorized as Title IX, Part A of the Every Student Succeeds Act in 2015. The Act ensures educational rights and protections for children and youth experiencing homelessness including the following:

IF YOU LIVE IN ANY OF THE FOLLOWING SITUATIONS:

- In a shelter
- In a motel or campground due to the lack of an alternative adequate accommodation

- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

You may qualify for certain rights and protections under the federal McKinney-Vento Act.

Eligible students have the right to:

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is their preference.

*If the school district believes that the school selected is not in his/her best interest, then the district must provide the student with a written explanation of its position and inform the student of his/her right to appeal its decision.

- Receive transportation to and from the school of origin, if requested.
- Receive educational services comparable to those provided to other students, according to the students' needs.

If you believe you may be eligible, contact the McKinney Vento Case Manager at your school or the Aurora Public Schools Federal Programs Department 303-365-5816 to find out what services and supports may be available.

Non-Custodial Parent Rights

- By law the district is required to allow non-custodial parents (those who do not have legal custody of their children) access to all records concerning their children unless there is a court order denying them access to such records or, in rare cases, where the district believes the children could be in danger. This means that if you are divorced, separated or for some other reason not living with the parent of your child, and the non-custodial parent asks the school for any records concerning your child, the school is required to provide the records to him/her, unless there is a court order which says they are not entitled to such records. Please note that school records include names and addresses of students.
- It is the responsibility of the parent who has custody of a student to provide the district with a copy of the most recent court order related to custodial rights and any order relating to the right of the non-custodial parent to have access to records involving a student. Such a court order must be provided as close as possible to the time of registration of the student or to the time the court issues the order. If there is no court order on file with the school, the school will assume that none exists.

Storm Water Management Program

- Aurora Public Schools has developed a Stormwater Management program intended to reduce nonpoint source pollution into the local waterways. As stormwater flows over driveways, lawns, and sidewalks, it picks up debris, chemicals, sediment, and other pollutants. Storm water can flow into a storm sewer system or directly into a lake, stream, river, wetland, or coastal water. Anything that enters a storm sewer system is discharged untreated into the waterbodies we use for swimming, fishing, and providing drinking water. Polluted runoff is the nation's greatest threat to clean water. If you witness illegal dumping

on school grounds, please contact the Environmental Compliance Branch immediately.

- The program is available for review at the Environmental Compliance Branch at 1369 Airport Boulevard. Questions are welcomed and should be directed to the Environmental Compliance Branch Manager at 303-326-2115 ext 28685.
