All schedules, updates, forms, and athletic information can be found on the Rangeview website's athletic page

## **Athletic Registration**

In order to participate in any athletic activity, students must have a current physical form on file in the athletic office. Physicals are valid for one calendar year. The online registration must also be completed, and each sport the athlete will participate in should be added to the registration. If a sport is not added at the time of registration, it will need to be added to that same registration before he/she participates in that sport. If the athlete has completed the online registration in a previous year, it will only need to be updated with any new information and the current year's sports. A new registration IS NOT completed each year.

Online athletic registration is available on the Rangeview website under the athletics tab dropdown - or at <https://rangeview-ar.rschooldtoday.com/>

## **Physicals**

Physical forms can be found online on the Rangeview website or you can pick up a copy of the form in the athletic office. Please only use this form when getting your physical completed with your physician.

You can scan the QR code below to make an appointment. Students must have a signed parent permission form and a medical history form that will be emailed to you after you register for the district physical day. The fee for the physical is \$10 and **cash will be the only form of payment accepted.**

You can also obtain a sports physical through your family physician or at many urgent care/walk-in clinics for a reasonable price.
