General Information

Community: Aurora is an eastern suburb of the Denver metro area with a population of over 388,723.

Rangeview High School: Rangeview is a public, comprehensive high school with an enrollment of approximately 2,155 students in grades nine through twelve. Our demographic breakdown is as follows: Hispanic 35.0%; White 25.7%; Black or African-American 21.7%; Asian 5.2%; American Indian or Alaska 4.1%; Native Hawaiian/Other Pacific Islander 1.0%; 2 or more races 7.0%.

Approximately 50% of students receive Free or Reduced Lunch.

Staff: There are 130 certified staff members and 36 classified staff members. 68 percent have advanced degrees.

Activities: A wide variety of activities are offered to cultivate student interests and involvement in the community. Rangeview students can choose to participate in 24 sports and 35 clubs.

In 2015 Rangeview collaborated with Special Olympics to begin Unified Sports opportunities for students with and without intellectual disabilities. Currently, Rangeview has basketball, soccer, track, flag football, bowling, bocce, and cheerleading. The program is expanding to include a Unified Committee in our Student Leadership (government) and a Score A Friend club.

Post-Secondary: Approximately 58% of graduates attend a four-year college, 34% attend a two-year school, a career/technical training program or an apprenticeship program, and 6% choose military service.

Accreditation: Rangeview High School is accredited by Aurora Public Schools through the Colorado Department of Education.

College Test Results: SAT Test: During 2020-21, 414 students were tested. The average score was 976.

Awards and Distinctions 2020 - 21

2 Daniels Fund Scholars, 1 Golden Eagle 4 year scholarship to CSU Global.
12 Students signed with collegiate athletic programs
\$7.8 million in scholarships awarded to the class of 2021.

Curriculum

Courses are comprehensive and focus on post-secondary workforce readiness.

Special Education: Rangeview offers a variety of services to students with identified special needs. Per each student's Individual Education Plan academic assistance is provided along with behavior management, social and emotional development, life skills, career planning and support for the transition to life beyond high school.

College Credit Opportunities at Pickens Technical College: College credit is available for many programs offered at Pickens Technical College. Articulation agreements allow students to transfer credits earned for Pickens Technical College certificates toward an Associate Degree conferred by the participating community college. Students who desire to complete an Associate of Applied Science Degree (AAS) program must complete the technical classes for a designated occupational certificate at Pickens Tech and general education and/or other degree requirements at the participating community college from which the degree is earned.

Concurrent Enrollment Credit: Students may take guaranteed transfer (G.T.) classes through the Community College of Aurora and the University of Colorado-Denver. These courses offer high school and college credit. Grades associated with guaranteed transfer courses are weighted and are guaranteed to transfer to 4-year public colleges and universities in Colorado. Aurora Public Schools encourages our students to participate in the Accelerating Students through Concurrent Enrollment (ASCENT) Program.

STEM: The STEM program is a pre-engineering pathway that gives students the opportunity to learn 21st century skills in a fun, supportive, and rigorous environment. Students are challenged to solve real world engineering problems in collaborative settings involving hands-on experiences. Rangeview's STEM program is Project Lead The Way certified. Through STEM classes, students can earn college credit from the University of Colorado-Colorado Springs.

Advanced Placement/Honors Program: The following classes are more rigorous and offer weighted grades.

Introduction to Philosophy
Ethics
Logic
College Algebra
College Trigonometry
Introduction to Statistics
Mathematics For Liberal Arts

Grading

Standards-Based Grading: Aurora Public Schools has implemented a standards-based grading system. The primary goal of SBG is to better communicate what each student knows and is able to do according to state standards. Students continue to receive grades (A-B-C-D-F) on quarter grade reports and transcripts.

Traditional Course Credit System: The following grading system has been adopted by the Board of Education for high schools. No one assessment may count more than 20% of a final grade.

Class Rank: All courses, with the exception of those marked WP, ME, S, U and AU, are included in the computation of class rank. The grade point scale from which grades are computed is A=4, B=3, C=2, D=1, F=0, WF= 0.

Weighted Grades: All courses identified as AP, Honors, Concurrent Enrollment, are given an additional quality point when calculating GPA.

Academic Honors Recognition:

Valedictorian & Salutatorian	1st & 2nd ranked
Academic Highest Honors	Top ten ranked
Academic High Honors	GPA 3.75 or higher
Academic Honors	GPA 3.50 or higher

Grade	Description
A	Outstanding
B	Very Good
C	Good
D	Needs Improvement
F	No Credit Earned
I	In Progress
WP	Withdrew Passing
WF	Withdrew Failing
AU	Audit
ME	Medical Exemption
